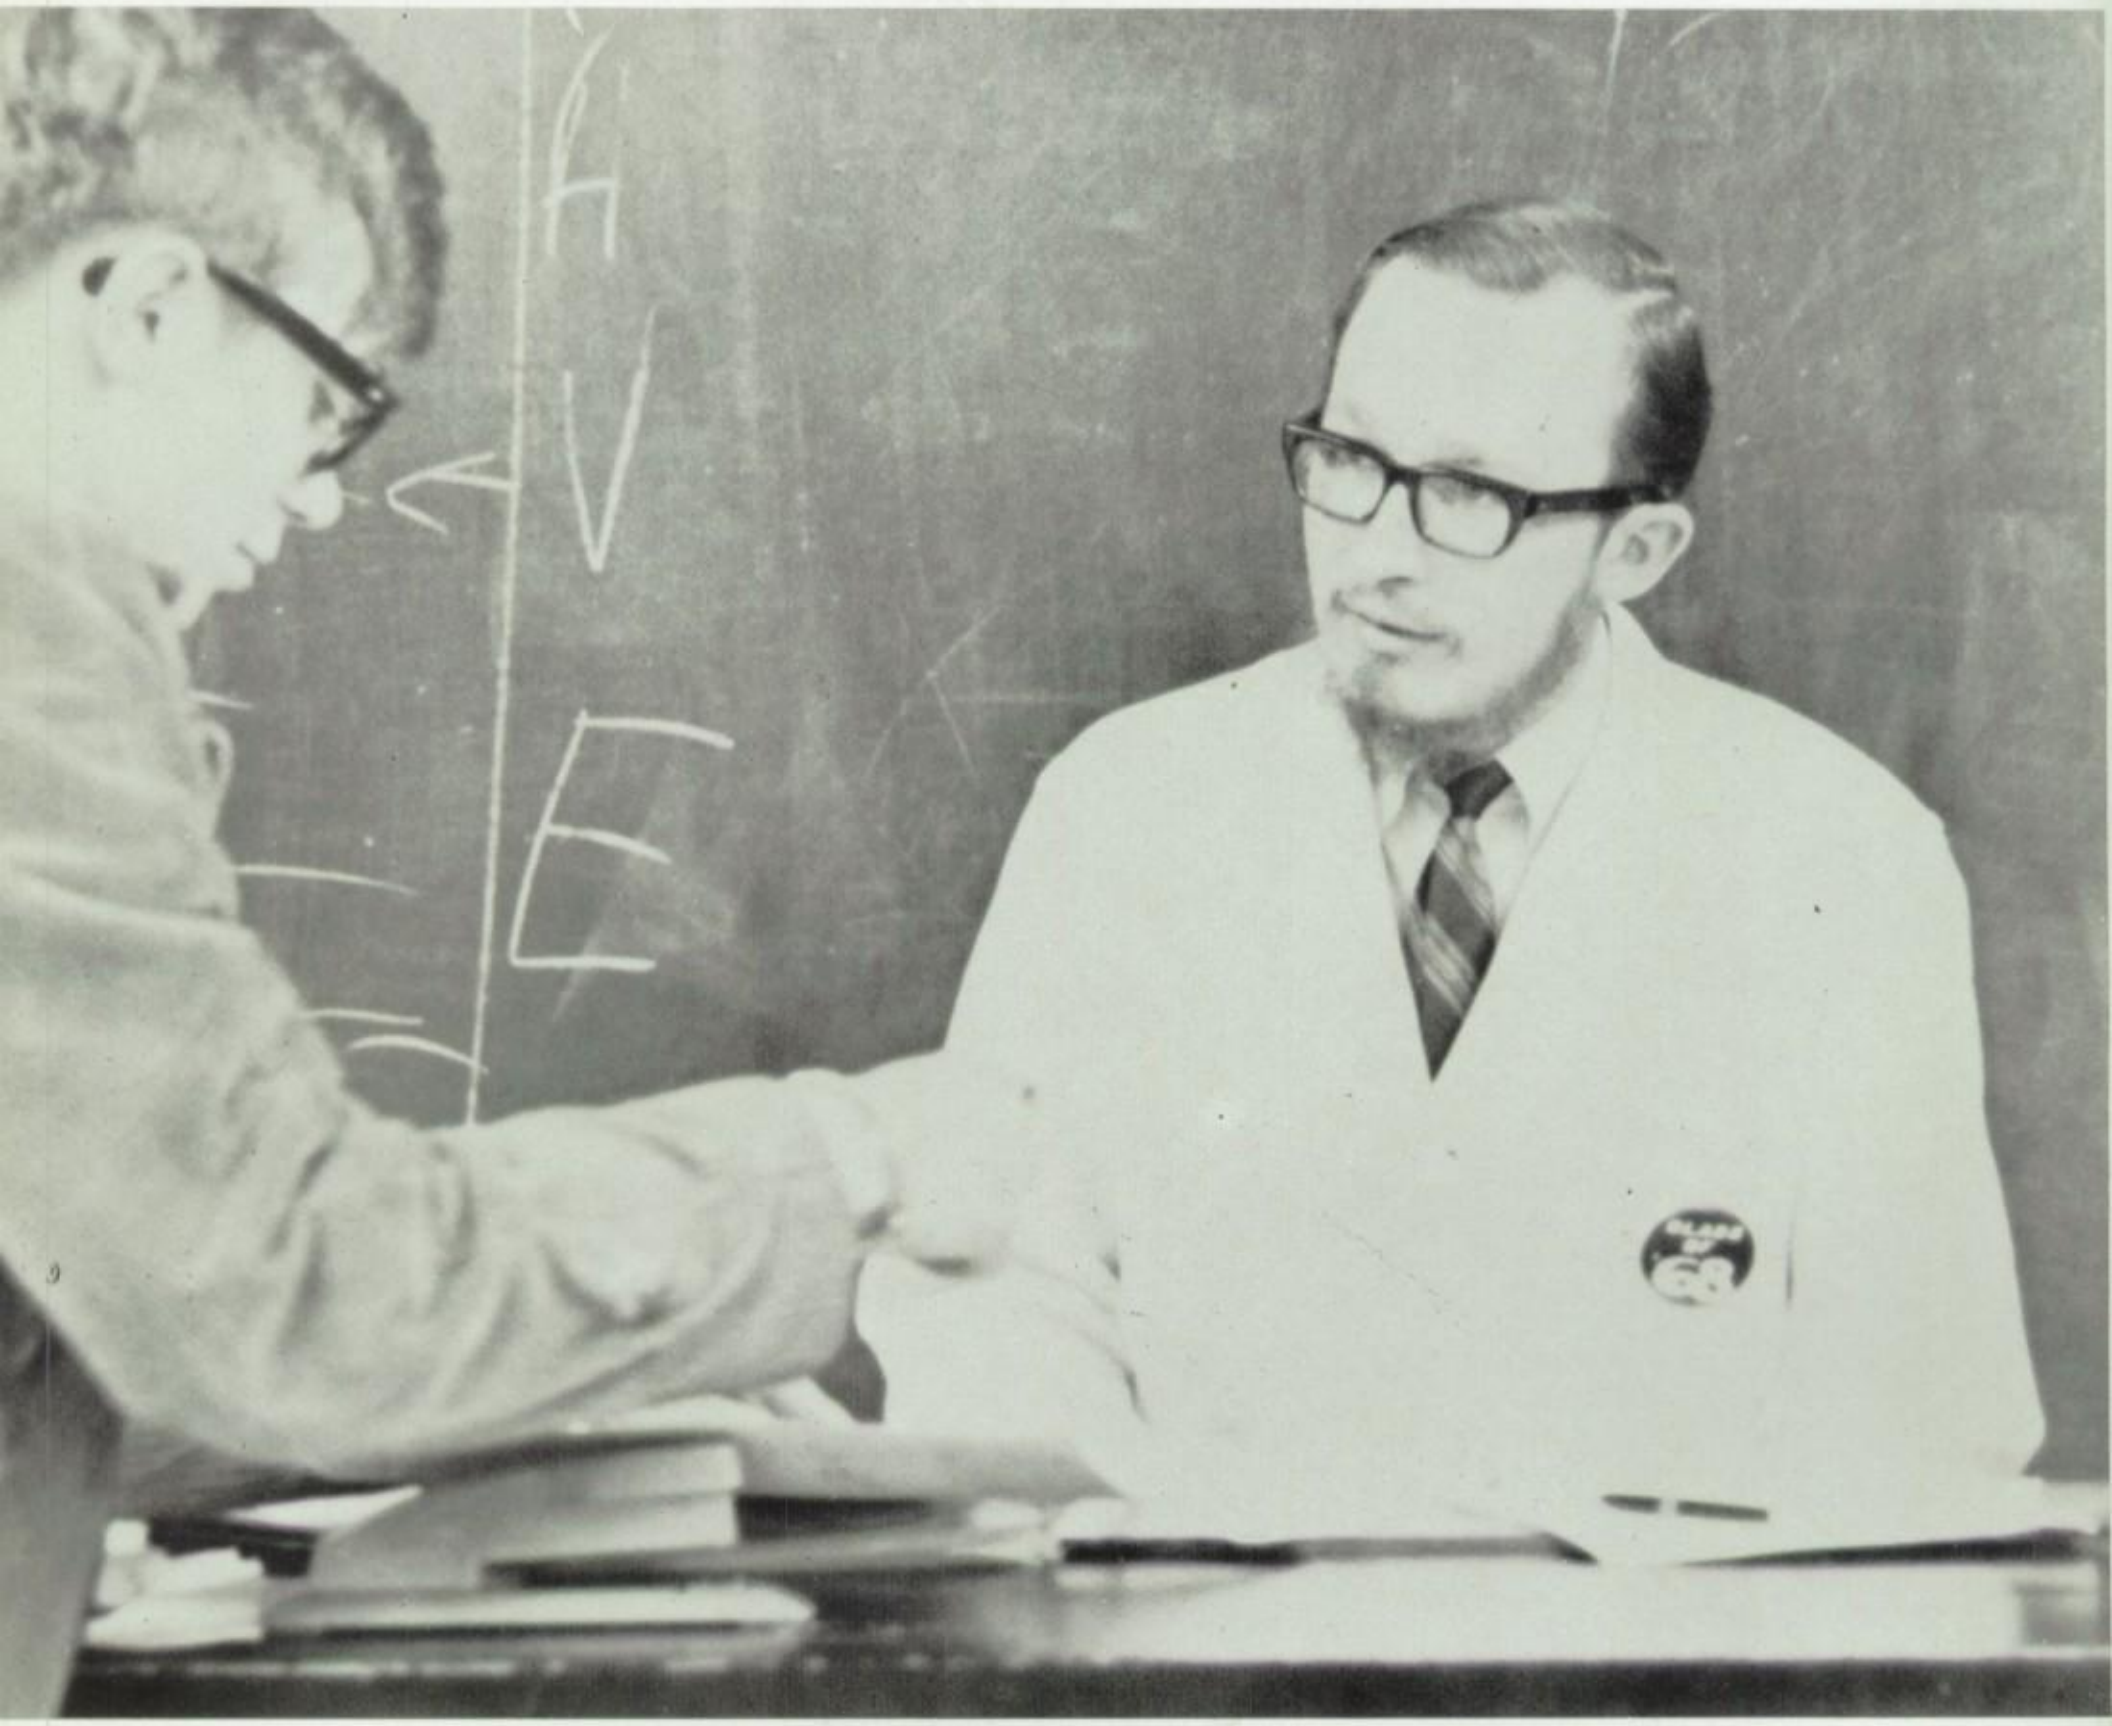
TO one who we can turn to when advice is needed; to one who has freely donated much time to class projects and school activities; to one who has helped us gain wisdom coupled with youth's aspirations; to one who has raised our ambitions and goals to greater heights; and to one who's diligence and devotion to the Senior Class will be remembered by all departing Seniors; we, the students of Zama American High School, dedicate the 1968 *Rising Sun* to Mr. Ronald C. Laugen.



This article is to acknowledge the people who have put many hours into the production of this annual.

Our sponsor Mrs. Bealmear spent much of her time directing and supervising the production part of the book. Our thanks to the finance department who kept our sales rolling.

A special thanks to Mr. Wehrspan, who helped guide our steps toward the final finished product.

PRINCIPAL'S MESSAGE

Congratulations to the Class of 1968. You have made notable contributions to your school and community and, I am sure, will find much success in the future.

Congratulations to the Rising Sun staff and to the sponsor, Mrs. Bealmear, on the production of a fine yearbook. I hope that this yearbook will bring fond memories to many of you.

It has been a real pleasure to work with all of you this year. May each of you find personal satisfaction and success in your future plans, both in further education, and in your choice of a vocation.

Senior Class Officers, 1967-68

Karl Lawson, President; Gregg Takamura, Vice President; Cheryl LeBlanc, Secretary; Norman Kushiyama, Treasurer

Class History

The Class of 1968 completed its last year at Zama with flying colors. Its members were the leaders of a majority of the organizations and clubs, with Wayne Effron heading Student Council, Dan Hino, Vice President, Kathy Lee, Secretary, and Barbara Kimoto, Treasurer. Karl Lawson was captain of the Varsity Football squad, Chang Akana and Larry Potter led the Varsity Basketball squad to ten victories, Larry being high point man in almost all the games. Eight Seniors were members of the National Honor Society, with Wayne Grogan as President and Kay Kinoshita as treasurer. In other activities, Norman Kushiyama was president of the Student Activities Association, Charlene Miller was head of Red Cross, Darcy Ferrell was head of the Pep Club, Alan Rapp was president of the Drama Club, and Larry Potter was editor of the Annual Staff.

Karl, Tak, Cher, and Kushi, all outstanding members of the Class of '68 in former years, combined their talents this last year to lead the Seniors to victory in many fields. The Senior Class Float won first place at half-time during the Homecoming game; the Senior girls triumphed over the Juniors in the Powder Puff Football game. Barbara Kimoto headed the Cheerleaders, with Jeanice Tilegard and Lynn Frazier making up almost half of the Varsity squad this year. Barbara was also Homecoming Queen, with Pat Gillen as Senior Attendant. Janet Turk was Queen of "A Christmas Carol", reigning with Tina Goo, Princess, Dan Hino, King, and Walt Christian, Senior Prince. At the Valentine's Dance, Pat Gillen was chosen queen, with Tina Goo again by her side as Senior Princess.

The Senior Sneak (?) included almost half of the class this year, and was a great event. Just about everyone learned how or tried to ski, and by some great miracle, no one was hurt or lost in the drifts, or sent home for bad behavior. . . .

And now, the year has come to a close, and they all go their ways, to college, or post graduate schools, or the services, -or just go. It is certain that good luck and best wishes for the future shall follow them, wherever they may go.

The time has come, for closing books, and long,
last looks, must end.
And as I weep, I know that I am losing my best
friend;
A friend who taught me right from wrong and
weak from strong—that's a lot to learn.
What, What can I give you in return?
If you wanted the moon, I would try to make
the stars, but I
would rather you let me give my heart:
"To Sir, with love. . . ."

Those School-girl days, of telling tales and biting
nails are gone.
But, in my mind, I know they will still live on
and on;
But how do you thank someone, who has taken
you from crayons to perfume?
It isn't easy, but I'll try—
If you wanted the sky, I would write across the
sky in letters,
That would soar a thousand feet high:
"To Sir, with love. . . ."

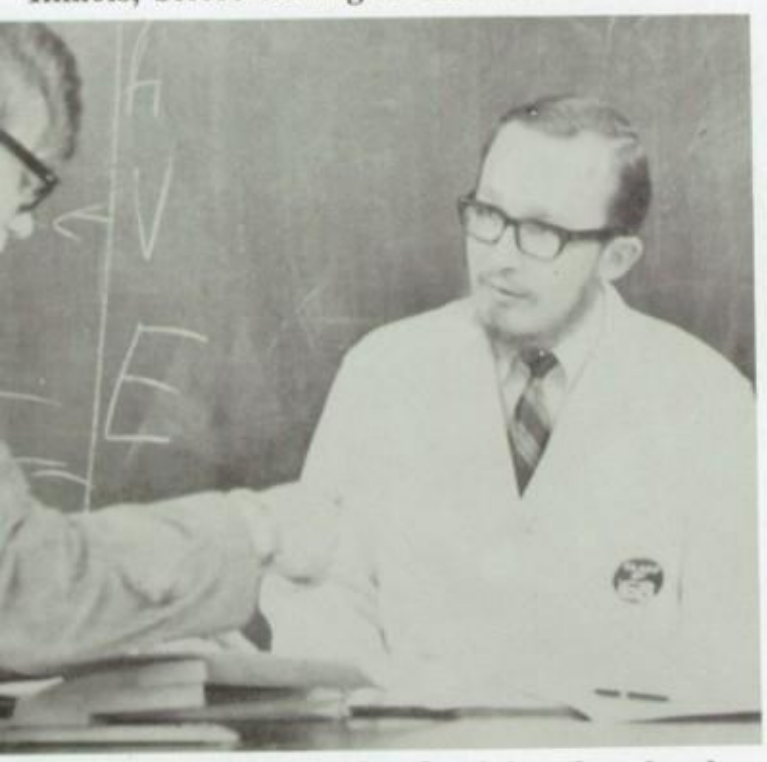
Miss Mary Oran

Her home is in Naperville, Illinois, 25 miles West of Chicago. She attended North Central College and received her BA in English, and hopes to receive her MA in that field from Northwestern U this summer.

Before coming to Zama last year, she taught 11th grade English and directed dramatic activities in Palatine, Illinois. Her main interests are drama and the theater (she loves to act), writing, especially poetry, and people, because they're fun to watch and talk with. About this year's Seniors, she says:

Mr. Ronald C. Laugen

He received his bachelors degree in Chemistry at the University of Minnesota, his Master's at Washington University in St. Louis. He has taught for two years in Highland Park, Illinois, before coming to Zama in 1966.



"It is my considered opinion that the class of 1968 will go down in history as the most intelligent, dedicated, and generous class Zama High School has ever known."

Mr. Jackie D. Rollins

He was born in Holden, West Virginia, in 1935, was raised there and graduated from Huntington East High School in 1953. He then entered the army and served in Fuchinobe, Japan for three years. He received his BA and MA degrees from Marshall University in West Virginia and taught in Kentuckey for 6 years. He teaches Government, Global History, and is sponsor of the Student Council and the Senior Class.

"I find the Senior Class to be courteous, cooperative, ambitious, but lacking in self-responsibility. I have enjoyed working with them, especially in trying to get them to think for themselves.

Sophomores

The Sophomore class set foot in the right direction by electing (from left to right) Paul Howard, Vice President; Danny Wooldridge, President; Chiyo Uchida, Secretary; Beth Hesser, Treasurer.

Class History

The class of '70 actively supported their class and school in many activities. In sports many sophomores participated in J.V. football and basketball, even some on the Varsity team. Others were on the tennis team. Cheering them on were many sophomore cheerleaders. There were 6 inductees into the National Honor Society. "Lovers in Wonderland", theme of the Valentine's Dance, revealed genuine spirit, unlimited energy and fullest cooperation of the class. The sale of class buttons and ZAHS pens, original money-making ideas, created a sensation throughout the school. The year went by swiftly, and proved time and again that the sophomores will be making excellent Juniors next year.

I still remember our physics class where we always pulled a boner - uppse!! How about Mr. Hicks' history class. NO slack! Dozf off too much. But you were always a brain to be with and I enjoyed you so much that I decided to let you sing. Great talent. Too bad it didn't last long 'cause we could have gotossed out with the moolah. No sweat. Maybe later on in the future. Good luck and hope you make it to the world. Don't forget Jay and what I say.
